Instructions

How to Edit Photos

Move the photo around to capture the best view.

Pick a filter effect for your pic.

Choose a cool border!

You can put borders on top of each other. If you make a mistake, don't worry. Tap this to return to your step.

How about adding stickers?

To move your sticker, hold onto the center of the sticker and drag.

To edit your sticker, hold onto 2 corners of the sticker with your fingers
